INVITATION TO A Leadership Masterclass

SOMETIMES YOU WIN, SOMETIMES YOU LEARN FOR TEENS
How To Turn A Loss Into A Win

From 05/07/2025 – 26/07/2025

SOMETIMES YOU WIN, SOMETIMES YOU LEARN FOR TEENS

HOW TO TURN A LOSS INTO A WIN

My 10 year old arrived home from his football match practice about one day and said to me that he was very sad because his team had lost the match. I smiled, hugged him and said to him sometimes you win, sometimes you--- before I finished my sentence he said 'lose'. I smiled again and said 'no, you do not lose but you learn'. His face brightened up, he wanted to know more.

I have always said the same thing over the years, i.e. Sometime you win, sometimes you lose but special thanks goes to my growth mentor, American author, speaker and pastor, John C. Maxwell who I learned from that actually no, I do not lose, I learn. Have you ever lost at something that you wanted to win at?

What happened when you messed up? Did you feel hopeless, like you can never recover from the mistake? The truth is, it is hard to smile when we are not happy and it is also difficult to respond with a good attitude when we are numb with defeat. However, I am inviting you to learn that you can change the way you look at your losses or mistakes and develop some important qualities that will help you respond to them. Therefore, I am inviting you to a 4-week online mastermind class.
